### Amicus will be closed in celebration of Martin Luther King Jr. Day

On this day, please remember the activist and prominent leader for the influence he had over the African-American Civil Rights Movement. Dr. King was an advocate for equality. He followed the nonviolent teachings of Mahatma Gandhi while helping to bring change to this great nation.

“I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character.” – Martin Luther King Jr.

*I Have a Dream*

*(public speech, delivered 8/28/1963)*

## Amicus + No Fee Checking = True Love

Is your bank practicing *bad habits*? Do they charge you for your checking account? Maybe your bank needs a New Year’s resolution. Instead of waiting around for that to happen, why not start fresh; shed the bad habits, fees, and impersonal service? Why not start your new year with a financial institution that is not-for-profit, knows you, appreciates your membership, and promotes financial education? Why not Amicus? We are already here for you, waiting to take care of your financial needs!

## Who’s that new face with the bubbly personality and LONG hair?

If you have not met Lacey, I would encourage you to stop in and introduce yourself. She has a contagious upbeat and positive personality. She comes to Amicus with several years of banking/credit union experience and just completed her AA. During her spare time she enjoys spending time with family and friends, riding her horse and enjoying the great outdoors. Please help us in extending a warm welcome to Lacey.
